

You Deserve Credit! Take credit when you sponsor a new member for the Vacation Rental Managers Association.

Receive a \$50 credit toward your next VRMA Annual Conference registration for each new member that joins VRMA based on your referral.

Get involved now! Fill in the form below suggesting new members for VRMA. A letter notifying that you are the referring person will be sent to these companies and will include full membership information. When the company becomes a member, you will receive credit.

The VRMA Membership Committee urges that you recommend high quality companies, just like yours, for membership. Membership kits to assist your efforts, which include a copy of VRMA Review as well as a membership application, are available from the VRMA management office.

When the VRMA office receives dues payment from your nominated member, you will receive a credit of \$50 toward this year's conference registration (up to the equivalent of one full registration per company).

To: Vacation Rental Managers Association: Please send me ____ membership kit(s)
